

Temporary Pre-Approval Permit Acknowledgment Form

I am applying for a Temporary Pre-approval Permit (TPP) from the Washington State Liquor Control Board. In applying for this permit, **I acknowledge the following on behalf of myself and any other principals of the liquor license application:**

- I understand that issuance of this temporary permit is only a conditional approval pending final processing and approval of a permanent liquor license by the Liquor Control Board. I understand that **I cannot assume or rely on the granting of a permanent liquor license following the Liquor Control Board's processing of my application.**
- I understand that **if the Liquor Control Board denies my permanent liquor license that I must immediately cease selling alcohol under the temporary permit.** I further understand that I may not be able to return my alcohol stock to the beer/wine distributor or to the liquor store. Reasons for denial include, but are not limited to: failure to meet basic licensing requirements, objection from the local authority; objection from a church, school, or other public institution within 500 feet of the premises; questionable source of funds; indicators of hidden ownership; conviction of a felony of any type; conviction of gross or simple misdemeanor involving liquor or drugs; or a series of violations that show a disregard for liquor laws and regulations.
- I understand that I will **operate under this temporary permit solely at my own risk**, regardless of the time it takes to process the liquor license application. Risks may include, but are not limited to, funds expended or dedicated for costs related to leasing, equipment, insurance, etc.
- I understand that I am subject to the authority and powers of the Liquor Control Board while holding this temporary permit.
- I understand that **any violations of liquor laws or rules that occur during the time I hold this temporary permit will be recorded on the liquor violation history** of all principals of this application and may affect the Liquor Control Board's approval of my permanent license or cause the TPP to be revoked. I understand that such violations will be considered in the assessment of a penalty if any future violations are committed during the temporary permit period or after issuance of my permanent liquor license, under the provisions of chapter 314-29 WAC.
- I understand that, if I or any principal or employee sells, serves, or permits the consumption of alcohol at my business after this temporary permit has expired but before final approval of my permanent liquor license, I am in violation of state law that prohibits selling alcohol without a liquor license.

NOTE: Issuance of this permit is not automatic upon receipt of this signed form. You must contact your Liquor License Investigator to request issuance of this permit.
