Rules are needed to implement Initiative 502. New license types were created with specific requirements. Rules are needed to clarify the new laws created in Initiative 502. This rulemaking will address rules regarding marijuana producer licenses and the requirements for those licenses. Additional rulemaking will be filed at a later date to address the other new licenses created in the initiative.

This notice can be found at <http://www.liq.wa.gov/laws/laws-and-rules> under Proposed Rules.

The Liquor Control Board encourages you to give input on the rules. The Rules Coordinator will set up at least two meetings to collect stakeholder input prior to drafting proposed rules. The meeting schedules will be posted on the LCB website once the dates are established. Following the comment period, the agency will send out and publish proposed rules, establish a comment period on the proposed rules, and hold at least one public hearing before rules are adopted.
