

NOTICE OF RULE MAKING – Pre-proposal #13-22

The Washington State Liquor Control Board has entered into the initial stage of rule making (CR 101) to revise WAC 314-24-070 regarding the Return of Washington Wine that has been exported to another state.

This rulemaking is a result of a petition for rulemaking submitted by a stakeholder. The current rule requires a Washington winery bringing their bottled wine back into Washington State to bring the wine to the winery only. Washington wineries that export bottled wine out of the state of Washington wine would like to have the option of bringing the bottled wine back into Washington directly to a wine distributor or bonded wine warehouse.

This notice can be found at <http://www.liq.wa.gov/laws/laws-and-rules> under Proposed Rules.

The Liquor Control Board encourages you to give input on this rule. Following the comment period, the agency will send out and publish the proposed revised rule, establish a comment period on the proposed rule, and hold at least one public hearing before the rule is adopted.
