

NOTICE OF RULE MAKING – Proposed Rule - #16-37

The Washington State Liquor & Cannabis Board would like your input on the attached proposed rules to create a new chapter in title 314 WAC: **Chapter 314-35 WAC, Vapor Products.**

Rule changes are necessary to implement changes made to statute by the Legislature during the 2016 legislative session creating a new regulatory scheme for vapor products. The new rules proposed as part of this rulemaking supplement the laws created by the legislature, mostly found in chapter 70.345 RCW, and are necessary to regulate the new vapor product licenses created. WSLCB needs these rules in place to ensure the proper administration of vapor products licenses and to ensure licensees comply with state law regarding vapor products.

This notice can be found at lcb.wa.gov/laws/laws-and-rules under Proposed Rules.

The Liquor & Cannabis Board encourages you to give input on this proposal. Following the comment period the board will hold a public hearing before the rule is adopted.
