

Notice of Emergency Rules for a Responsible Vendor Program

On January 25, 2012, the Washington State Liquor Control Board adopted emergency rules for a Responsible Vendor Program as directed in Initiative 1183.

The emergency rules were filed with the Code Reviser's office and will expire automatically after 120 days (May 25, 2012). The board has also filed a pre-proposal statement of inquiry (CR 101) with the Code Reviser's Office to begin permanent rulemaking.

If you have any questions, please contact Karen McCall, Rules Coordinator, at (360) 664-1631 or e-mail at rules@liq.wa.gov.

What are the agency's reasons for adopting these emergency rules?

New rules are needed to implement sections of Initiative 1183 that passed on November 8, 2011. The state of Washington changed from a controlled liquor system to a privatized liquor system.

The mission of the Washington State Liquor Control Board (WSLCB) includes ensuring the responsible sale, and preventing the misuse of, alcohol.
