WAC 314-02-025 What are the floor space requirements to obtain and maintain a spirits, beer, and wine restaurant license or a beer and wine restaurant license?

(1) The liquor control board has the responsibility to classify what licensed premises or what portions of the licensed premises are off-limits to minors. (RCW 66.44.310(2).) Minors may not purchase, possess, or consume liquor, and may not enter any areas that are classified as off-limits to minors. (RCW 66.44.290 and 66.44.310.) The purpose of this rule is to clarify the ways in which licensees can prevent minors from consuming alcohol or entering restricted areas.

(2) Dedicated dining areas - If a spirits, beer, and wine restaurant licensee or a beer and wine restaurant licensee that allows minors chooses to have live music, Karaoke, patron dancing, live entertainment, or contests involving physical participation by patrons in the dedicated dining area after 11:00 p.m., the licensee must either:

(a) Request board approval to reclassify the dining area to a lounge for the period of time that live entertainment is conducted, thus restricting minors during that time; or

(b) Notify the board's licensing and regulation division in writing at least forty-eight hours in advance that the sale,

service, and consumption of liquor will end in the dedicated dining area after 11:00 p.m.

Request or notifications may cover one event or a series of recurring events over a period of time.

(3) **Barriers** - Licensees must place barriers around areas that are classified as off-limits to minors and around game rooms.

(a) The barriers must clearly separate restricted areas, and must be at least forty-two inches high.

(b) The barriers must be permanently affixed (folding or retractable doors or other barriers that are permanently affixed are acceptable). A portable or moveable rope and stanchion is not acceptable. Those licensees that have been approved by the board for moveable barriers prior to the effective date of this rule may keep their movable barriers until the licensee requests alterations to the premises or the premises change ownership.

(c) Liquor bars cannot be used as the required barriers (see definition of liquor bar in WAC 314-02-010(10)).

(d) Entrances to restricted areas may not be wider than ten feet. If a licensee has more than one entrance along one wall, the total entrance areas may not exceed ten feet.

(e) "Minor prohibited" signs, as required by WAC 314-11-060(1), must be posted at each entrance to restricted areas.

(4) If the business allows minors, the business's primary entrance must open directly into a dedicated dining area or into a neutral area, such as a lobby or foyer, that leads directly to

a dedicated dining area. Minors must be able to access restrooms without passing through a lounge or other age-restricted area.

(5) **Floor plans** - When applying for a license, the applicant must provide to the board's licensing and regulation division two copies of a detailed drawing of the entire premises. The drawing must:

- (a) Be drawn one foot to one-quarter-inch scale;
- (b) Have all rooms labeled according to their use; e.g., dining room, lounge, game room, kitchen, etc.; and
- (c) Have all barriers labeled in a descriptive way; e.g., "full wall," "half wall," etc.

[Statutory Authority: RCW 66.08.030 and 66.24.363. 11-01-133, § 314-02-025, filed 12/21/10, effective 1/21/11. Statutory Authority: RCW 66.04.010, 66.08.030, 66.24.410, 66.44.310, and 66.44.420. 05-22-022, § 314-02-025, filed 10/24/05, effective 11/24/05. WAC 314-02-027 What are the requirements/restrictions for a spirits, beer, and wine restaurant license at a cinema with a dinner theater venue? (1) A spirits, beer, and wine restaurant

licensee at a cinema with a dinner theater venue must meet the following requirements:

(a) Food service requirements under WAC 314-02-035; and

(b) Lighting requirements under WAC 314-11-055.

(2) Alcohol sales and service may not be provided from the concession area in the cinema lobby.

(3) Alcohol may be consumed only in the theater rooms approved by the board.

(4) Minor patrons and employees are prohibited in the individual theater rooms that allow alcohol service and consumption.

(5) A spirits, beer, and wine restaurant licensee at a cinema with a dinner theater venue must provide a floor plan of the cinema and indicate which theater rooms within the cinema will be operated as dinner theaters. Those theater rooms not operated as dinner theaters with alcohol sales and service may be open to minors and minor employees.

Example: A cinema has eight theater rooms. The licensee wants to operate theater rooms five and six as dinner theaters with meals and alcohol sales and service. Minor patrons and employees are prohibited in theater rooms five and six, but would be allowed in the lobby area and in theater rooms one, two, three, four, seven, and eight.

Example: A cinema has eight theater rooms. The licensee wants to operate all eight theater rooms as dinner theaters with meals and alcohol sales and service. Minor patrons and

employees are prohibited in the lobby area and all eight theater rooms in the cinema. No minors would be allowed on the entire premises at all times.

(b) **Amateur sporting event** - a contest or demonstration involving athletes who receive no monetary compensation that is sanctioned by a national or regional amateur athletic regulatory organization.

(c) **Entertainment event** - a concert, comedy act, or similar event intended for the entertainment of the audience.

(d) **Special event** - a convention, trade show, or other public/private event to large too be held in a separate banquet or meeting room within the facility.

(e) **Private event** - an event not open to the public such as a wedding, private party, or business meeting, where the facility or a portion of the facility where the event is held is

not accessible to the general public during the time of the private event.

(3) **Hawking** - the practice of selling alcohol in seating areas by roving servers who carry the beverages with them, as outlined in WAC 314-02-058(4). Because of row seating arrangements, servers normally do not have direct access to customers. **WAC 314-02-058 Sports/entertainment facility licenses--
Operating plans. (1) What rules govern the submission of
operating plans?**

(a) To receive a license, a sports/entertainment facility must submit an operating plan for board approval.

(b) Once approved, the plan remains in effect until the licensee requests a change or the board determines that a change is necessary due to demonstrated problems or conditions not

previously considered or adequately addressed in the original plan.

(c) The plan must be submitted in a format designated by the board.

(d) The plan must contain all of the following elements:

(i) How the sports/entertainment facility will prevent the sale and service of alcohol to persons under twenty-one years of age and those who appear to be intoxicated.

(ii) The ratio of alcohol service staff and security staff to the size of the audiences at events where alcohol is being served.

(iii) Training provided to staff who serve, regulate, or supervise the service of alcohol.

(iv) The facility's policy on the number of alcoholic beverages that will be served to an individual patron during one transaction.

(v) A list of event categories (see WAC 314-02-057(2)) to be held in the facility at which alcohol service is planned, along with a request for the level of alcohol service at each event.

(vi) The date must be included in the operating plan.

(vii) The pages must be numbered in the operating plan.

(viii) The operating plan must be signed by a principal of the licensed entity.

(e) Prior to the first of each month, the licensee must provide a schedule of events for the upcoming month to the

facility's local liquor enforcement office. This schedule must show the date and time of each event during which alcohol service is planned. The licensee must notify the local enforcement office at least seventy-two hours in advance of any events where alcohol service is planned that were not included in the monthly schedule. Notice of private events is not required when the event is being held in conjunction with a professional or amateur sporting event, an entertainment event, or a special event as outlined in WAC 314-02-057(2).

(2) May the liquor control board impose any other mandatory standards as a part of an operating plan? Yes. To prevent persons who are under twenty-one years of age or who appear intoxicated from gaining access to alcohol, the board may impose the following standards as part of an operating plan:

(a) The board may require that an operating plan include additional mandatory requirements if it is judged by the board that the plan does not effectively prevent violations of liquor laws and regulations, particularly those that prevent persons under twenty-one years of age or who are apparently intoxicated from obtaining alcohol.

(b) To permit alcohol servers to establish the age of patrons and to prevent over-service, sports/entertainment facilities must meet minimum lighting requirements established by WAC 314-11-055 in any area where alcohol is served or consumed. For the purpose of establishing a permanent technical standard, an operating plan may include a lighting standard

measured in foot candles, so long as the candle power of the lighting is, at all times, sufficient to permit alcohol servers to establish the validity of documents printed in eight point type.

(3) **Where will spirits, beer, and wine be allowed in a sports/entertainment facility?** The purpose of the following matrix is to outline where and when alcohol service will normally be permitted. Due to the unique nature of each facility, the board will determine the permitted alcohol service based on the facility's approved operating plan.

(a) If alcohol service is requested outside of the parameters listed below, a special request with justification for the alcohol service area must be submitted with the operating plan for consideration by the board.

| Special events | x | x | | | |

(b) For private events, beer, wine, and spirits may be served in the area where the event is held. This area may be a separate meeting or banquet room or the entire facility.

(c) In order to minimize youth access to alcohol, the board may prohibit or restrict the service of alcohol at events where the attendance is expected to be over thirty percent persons

under twenty-one years of age. This restriction will not apply to the professional sporting events outlined in WAC 314-02-057 (2) (a).

(4) **Will hawking be allowed at sports/entertainment facilities?** Subject to the provisions of this rule, hawking may be permitted in general seating areas for the sale and consumption of beer, at the professional sporting events of baseball, football, basketball, soccer, tennis, volleyball, horse racing, hockey, and track and field events only, as defined by WAC 314-02-057 (2) (a).

(a) An operating plan must include procedures for hawkers to verify the age of purchasers and to prevent service to apparently intoxicated persons.

(b) During hawking, any patron may decline to handle alcoholic beverages, either on behalf of themselves and for any person under their supervision. When a patron objects to handling alcohol, hawkers must accommodate the objection. The facility operating plan will address how hawking will be managed, including how hawkers will respond to patron objections to handling alcohol.

(c) Each facility's hawking authorization will be reviewed by the board one year after the facility commences hawking under these rules and then every two years. This review, which will take no more than ninety days, will recommend the continuation, modification, or repeal of the hawking authorization. The decision to continue hawking will be based on:

(i) The facility's demonstrated record of preventing service of liquor to persons under twenty-one years of age and to persons who appear intoxicated; and

(ii) Public input submitted to the board. The licensee must post written notices to its patrons at fixed points of alcohol sales on the premises and in programs at events where hawking occurs for at least sixty days prior to the review period, stating that the facility's hawking authorization is up for review by the board, and directing comment to the board. The wording and method of notice must be approved by the board.

WAC 314-02-059 How will the operating plans be enforced?

(1) The board will inspect sports/entertainment facilities and issue violation notices for:

(a) Infractions of all liquor laws and rules, particularly with regard to persons who appear intoxicated or who are under twenty-one years of age; and

(b) Any significant deviation from the approved operating plan.

(2) Violations of liquor laws or rules that occur as a result of not following the approved operating plan will be

considered aggravating circumstances, which permit the board to impose added penalties.
