

Bill Title: Sales of Growlers of Wine
Bill Number: SHB 1742
Effective Date: June 12, 2014
Amends: RCW 66.24.170.

Summary:

Washington state law allows wineries, up to, two additional locations for retail sales and tastings. This bill allows additional location wineries to sell wines of its own production for off-premises consumption in kegs or growlers. Containers must meet the applicable requirements of federal law and be brought to the premises by the purchaser, or furnished by the licensee, and filled at the tap at the time of sale.
