Office of the Code Reviser:

The Washington State Liquor and Cannabis Board is withdrawing its Policy Statement PS-21-01 regarding conformed THC isomers that was filed as WSR 21-10-045 on April 28, 2021. The policy statement is no longer necessary, because Engrossed Second Substitute Senate Bill (E2SSB) 5367 addresses the regulation of tetrahydrocannabinol (THC) other than delta-9 THC, and the conversion of hemp-derived CBD to THC isomers and other potentially intoxicating or psychoactive cannabinoids, including, but not limited to, delta-8 THC. The legislation became effective on July 23, 2023.
