I. INTRODUCTION

This compact is entered into pursuant to House Bill 2000, Chapter 207, Laws of 2015 (the “Compacting legislation”). This document will be cited as the “Marijuana Compact Between the Nooksack Indian Tribe and the State of Washington, hereinafter referred to as the “Compact.”

II. PARTIES

The Parties to this Compact are the Nooksack Indian Tribe (“Tribe”) and the State of Washington (“State”) (collectively, “Parties”).

The Tribe is located on the Nooksack Indian Reservation, which is in the state of Washington, and the Tribe is a federally-recognized sovereign Indian tribal government.

The State of Washington is a state within the United States of America, possessed of the full powers of a state government. The Washington State Liquor and Cannabis Board (“Board”) is an executive department of the State government with statutory authority with respect to marijuana under chapters 69.50 and 69.51A RCW. The Compacting legislation allows the Governor to enter into an agreement with any federally recognized Indian tribe located within the geographical boundaries of the State regarding marijuana and to delegate the power to negotiate such agreement to the Board.

III. PURPOSE AND INTENT

Historically, the production, possession, delivery, distribution and sale of marijuana have been illegal across the United States and in Indian Country. In 2012, Washington voters passed Initiative 502 (“I-502”) which sets forth a tightly regulated, state-licensed system allowing for the production, processing, and retail sale of marijuana, marijuana concentrates, useable marijuana, and marijuana-infused products for recreational purposes within the State of Washington.

Through State law and the Board’s implementing rules, the State has legalized possession of limited amounts of marijuana and the production, processing, and sale of marijuana by licensed businesses and has set forth a civil regulatory system that keeps marijuana production, processing, and sale in the State regulated and safe for the public

and accomplishes the following priorities: preventing the distribution of marijuana to minors; preventing revenue from the sale of marijuana from going to criminal enterprises, gangs, and cartels; preventing the diversion of marijuana from states where it is legal under state law in some form to other states; preventing state-authorized marijuana activity from being used as a cover or pretext for the trafficking of other illegal drugs or other illegal activity; preventing violence and the use of firearms in the cultivation and distribution of marijuana; preventing drugged driving and the exacerbation of other adverse public health consequences associated with marijuana use; preventing the growing of marijuana on public lands and the attendant public safety and environmental dangers posed by marijuana production on public lands; and preventing marijuana possession or use on federal property.

After serious deliberation, the Tribe, as a sovereign nation, has also determined that present day circumstances make a complete ban of marijuana within Indian Country ineffective and unrealistic and has decriminalized its sale and possession in certain circumstances. At the same time, consistent with the priorities described above, the need still exists for strict regulation and control over the production, possession, delivery, distribution, sale, and use of marijuana in Indian Country.

The State and the Tribe have recognized the need for cooperation and collaboration with regard to marijuana in Indian Country. The State has authorized the entry of this Compact by the Compacting legislation, enacted by the 2015 Regular Session of the Legislature, Laws of 2015, Chapter 207. Through Section 2 of this legislation, codified at RCW 43.06.490, the State authorized the Governor to enter into Compacts concerning the regulation of marijuana and to delegate the authority to negotiate the Compacts to the Board.

The Parties share a strong interest in ensuring that marijuana production, processing, and sales in Indian Country are well-regulated to protect public safety and community interests. The Parties acknowledge that pursuant to federal law, 21 U.S.C. § 812, marijuana is a Schedule I controlled substance and that this Compact does not protect the sales or regulation of marijuana in Indian Country from federal law; however, the Parties have entered into this Compact in order to strengthen their ability to meet these mutual interests and to provide a framework for cooperation to ensure a robust tribal and state regulatory and enforcement system.

The Parties agree that it is in the best interests of the Tribe and the State that they further implement the government-to-government relationship between them, as

recognized in the Centennial Accord of August 4, 1989, by entering into a compact to protect public health and safety, ensure a lawful and well-regulated marijuana market, encourage economic development in Indian Country, and provide fiscal benefits to both the Tribe and the State.

at least one hundred percent of the state marijuana excise tax imposed under RCW 69.50.535 and state and local sales and use taxes on sales of marijuana.” The Parties further recognize that Sections 3, 4, and 5 of the Compacting legislation, codified at RCW 69.50.555, 82.08.9997, and 82.12.9997, provide exemptions from certain state taxes under the circumstances described in those sections.

A. State Tax.

Pursuant to RCW 69.50.555 no State Tax or fee, assessment, or other charge imposed by RCW 69.50 may be assessed against or collected from the Tribe, Tribal Enterprise, or retail customer purchasing from the Tribe or Tribal Enterprises if covered under the provisions of this Compact.

B. Tribal Tax.

1. Sales of marijuana products. The Tribe shall impose and maintain a Tribal Tax that is equal to at least 100 percent of the State Tax on all sales of marijuana products in Indian country, except that, consistent with RCW 43.06.490(2), the tribe may allow an exemption from tax for sales to the Tribe, Tribal Enterprise, Tribal Member Business, or an enrolled member of the Tribe on marijuana grown, produced, or processed within Indian Country, or for transactions otherwise exempt from state marijuana taxation under state or federal law. Medical marijuana products used in the course of medical treatment by a clinic, hospital, or similar facility owned and operated by the Tribe within Indian Country are exempted from tax. The Tribe may choose to levy a Tribal Tax on any transaction that may otherwise be exempt.

- C. At the State’s request, the Tribe will retain, at its own expense, an Independent Auditor to test the Tribe’s compliance with this Taxation and Record-Keeping Section of the Compact. The Auditor will review a sample of records to verify the requirements of this section and will provide the State with a report detailing the results of the testing procedures, to include identification of any instances of noncompliance with the terms of this section.

X. SAFETY AND ENFORCEMENT

- A. The Tribe shall address safety and enforcement issues in accordance with the Tribal Code, this Compact, and internal policies and controls of the Tribe or Tribal Enterprise.

1. Premises Checks

- a. Premise Checks by the Tribe. The Tribal Police or other authorized Tribal agency may conduct its own premises checks in Indian Country to observe compliance with Tribal Code and this Compact and to provide support and education to Tribal Enterprises and staff. To the extent it is informed of the results of such premises checks, the Tribe will share the results of the premises checks with the Board.
- b. Premise Checks by the Board. The Board, through its staff, may also conduct premises checks on operations in Indian Country. Prior to conducting any such check, the Board will contact the Tribal Police to provide reasonable notice of such premises check. Except as provided in the Cooperation Section below, the Tribal Police may observe and participate in all premises checks. The Board will share the results of such premises checks with the Tribe.

2. Compliance Checks - Minors

- a. Compliance Checks by the Tribe. The Tribe may conduct its own compliance checks in Indian Country using minors ages 18, 19, or 20 through the Tribal Police or other authorized Tribal agency in accordance with Tribal regulations and policies. To the extent it is informed of the results of such checks, the Tribe will provide the results of the checks to the Board. No criminal action may be taken against any minor who purchases marijuana as part of such a compliance check.

Prior to conducting any such check, the Board will contact the Tribal Police to provide reasonable notice of such compliance check. Except as provided in the Cooperation Section below, the Tribal Police may observe and participate in all compliance checks. The Board will share the results of such compliance checks with the Tribe.

3. Cooperation. Both Parties will cooperate in good faith to undertake all Board requested premises and compliance checks jointly. The Tribal Police will make reasonable efforts to arrange and conduct all Board requested premises and compliance checks within 24 hours of being provided notice of such request by the Board. All such notices shall be given, via email, to the Chief of Police, and the Chairman of the Tribe. The Tribe will provide the relevant email addresses to the board. If the relevant email addresses change, the Tribe will provide the new email addresses to the board. If the Tribal Police are unable or unwilling to arrange and conduct a requested premises or compliance check 48 hours after receiving the original notice, the Board may then perform the premises or compliance check on its own without the Tribal Police. The locations to be checked will not be notified in advance of the check by either Party. Should either Party have any concerns arising out of a premises or compliance check or the results thereof, the Parties will meet in good faith to discuss any suggested changes to protocols for the premises and compliance checks themselves or for marijuana sales by the Tribe or Tribal Enterprise that were checked.
4. Transportation Outside Indian Country. Transportation of marijuana products outside the boundaries of Indian Country shall be conducted in compliance with state law and Board rules.

XI. DISPUTE RESOLUTION

- A. Process Required. Neither Party, nor any officer or official acting on behalf of a Party, may petition any court to enforce this Compact unless (a) the dispute resolution process described in this Dispute Resolution Section has been followed in good faith to completion without successful resolution or (b) the other Party fails to enter into the dispute resolution. Should a dispute arise between the Parties regarding compliance with this Compact by either Party, the Parties will attempt to resolve the dispute through the following dispute resolution process:
- B. Notice. Either Party may invoke the dispute resolution process by notifying the other, in writing, of its intent to do so. The notice must set out the issues in dispute and the notifying Party's position on each issue.

- C. Meet and Confer. The first stage of the process will include a face-to-face meeting between representatives of the two Parties to attempt to resolve the dispute by negotiation. The meeting must be convened within 30 days after the receiving Party's receipt of the written notice described in the Notice Section above. The representatives of each Party will come to the meeting with authority to settle the dispute. If the dispute is resolved, the resolution will be memorialized in a writing signed by the Parties.
- D. Mediation. The second stage of the process will be that if the Parties are unable to resolve the dispute within 60 days after receipt of the initial written notice, the Parties will engage the services of a mutually agreed-upon qualified mediator to assist them in attempting to negotiate the dispute. Costs for the mediator will be divided equally by the Parties. The Parties will pursue the mediation process in good faith until the dispute is resolved or until 90 days after the date of the mediation demand, whichever occurs first. The Parties may continue mediation after the 90-day period by mutual agreement. If the Parties cannot agree on a format for the mediation process, the format will be determined by the mediator. If the dispute is resolved, the resolution will be memorialized by the mediator in a writing signed by the Parties, which will bind the Parties.
- E. Procedure if the Dispute Remains Unresolved. After completion of the process described in the Dispute Resolution, Process Required Section above, or not less than 180 days after the written notice described in Dispute Resolution, Notice Section above, whichever occurs first, either Party may terminate this Compact upon 30 days' written notice sent to the persons listed in the Communication and Notice, Designated Contacts Section.
- F. Defense of This Compact. In any action filed by a third party challenging either the Tribe's or the State's authority to enter into or enforce this Compact, the Parties each agree to support the Compact and defend each of their authority to enter into and implement this Compact; provided, however, that this provision does not waive, and shall not be construed as a waiver of, the sovereign immunity of the Tribe or any of its subdivisions or enterprises.
- G. Traceability. Should either Party have any concerns arising out of operation of the traceability system or the results thereof, the Parties will meet in good faith to discuss any issues. If parties fail to come to a resolution, either Party may invoke the Dispute Resolution Process of this Compact.
