

Washington State Liquor and Cannabis Board

Topic: Petition for Adoption, Amendment, or Repeal of a State Administrative Rule – (WAC 314-11-050 - What types of conduct are prohibited on a premises with a liquor license?)

Date: February 28, 2024

Presented by: Daniel Jacobs, Policy and Rules Coordinator

Background

On January 31, 2024, six (6) petitions for rulemaking were submitted to the Washington State Liquor and Cannabis Board (Board) making the same request, to repeal [WAC 314-11-050](#), the rule that prohibits certain conduct at liquor license premises. This rule language is unchanged from when it was put into WAC 314-11-050 [in 2001](#), when WAC 314-16-125 was repealed and most of its language put into WAC 314-11-050. WAC 314-16-125 was created in 1975, then revised in 1981, 1982 and 1992.

All 6 petitioners submitted emails that appear to be almost identical language as follows:

Subject: Urgent Petition for Repeal and Immediate Cessation of Enforcement of WAC 314-11-050 due to Disproportionate Impact on the LGBTQ+ Community

Dear Members of the Washington State Liquor and Cannabis Control Board,

I trust this letter finds you well. My name is [REDACTED], and I am writing to express deep concern regarding the disproportionate impact of the enforcement of WAC 314-11-050 on the LGBTQ+ community in our state.

While I recognize the importance of maintaining regulations to ensure responsible liquor and cannabis use, it has come to my attention that the enforcement of WAC 314-11-050 has resulted in an unjust and disproportionate impact on members of the LGBTQ+ community. This raises serious concerns about the potential for discrimination and harm caused by the current enforcement practices.

In light of these concerns, I am submitting this letter as a formal petition urging the Washington State Liquor and Cannabis Control Board to consider the Repeal of WAC 314-11-050 & an immediate cessation of the enforcement of WAC 314-11-050. I believe that pausing enforcement activities will allow the board the necessary time to conduct a thorough review of the regulation's impact on the LGBTQ+ community.

I further request that the board engage in a comprehensive examination of the enforcement data related to WAC 314-11-050, specifically focusing on its impact on the LGBTQ+ community. Additionally, I encourage the board to collaborate with community organizations and advocates representing LGBTQ+ interests to gain valuable insights and perspectives on the matter.

By taking this immediate action, the Washington State Liquor and Cannabis Control Board can demonstrate its commitment to fair and equitable enforcement practices, preventing any further harm or discrimination faced by the LGBTQ+ community due to the current implementation of WAC 314-11-050.

Thank you for your prompt attention to this matter. I trust that the board will consider this petition seriously and take swift action to address the urgent concerns raised.

Issue

Whether the Board should initiate the rulemaking process to consider amending or repealing [WAC 314-11-050](#).

Analysis

When making a recommendation to the Board regarding a petition for rulemaking submitted, the Director's Office Staff considers the following factors to the extent practicable:

- LCB's statutory authority and obligations;
- Alignment with the Agency's policy goals and priorities;
- The immediacy of the safety, environmental, or security concern raised;
- Potential impact to public health outcomes;
- The potential impact on criminal activity;
- Level of public interest;
- Whether the problems or issues are already under consideration by the LCB in other rulemaking issues;
- Merits of the petition; and
- Equity impacts.

Following events that occurred in Seattle on January 26-27, 2024, the Board has heard concerns from the LGBTQ+ community about the requirements in WAC 314-11-050. On February 1, 2024, the Board issued a [press release](#) to immediately cease enforcement of WAC 314-11-050, as requested by the petitioners.

On February 14, 2024, the Board approved a CR-101 (preproposal statement of inquiry) (filed as [WSR 24-05-037](#)) ([Notice to Stakeholders](#)) ([CR-101 Memorandum](#)) to begin the rulemaking process as provided in the [Administrative Procedures Act \(APA\)](#). Agency filing of the pre-notice of inquiry (CR-101) is the official first step in the rule process ([RCW 34.05.310](#)). The CR-101 announces the Agency is considering rulemaking and invites interested parties to comment on the rulemaking subject.

The rulemaking process having already begun, comments on the rulemaking process already being received from the public, and consistent with the Board's approach to acknowledging the need for this topic to be addressed, accepting the petition is the best path forward, consistent with the Administrative Procedures Act.

Recommendation

For the reasons described above, Director’s Office staff recommend that consistent with RCW 34.05.330(1)(b), the Board accept the petition for adoption, repeal or amendment of rules submitted on January 31, 2024.

Board Action

After considering the recommendation of Director’s Office staff, the Board accepts the petitions for rulemaking received on January 31, 2024.

Members of the Washington State Liquor and Cannabis Control Board,

My name is Drew Castillo, I have lived in Seattle for 7 years now, and I am compelled to bring to your attention a matter of urgent concern regarding the unequal impact that the enforcement of WAC 314-11-050 has on the LGBTQ+ community in our state.

Acknowledging the necessity of upholding liquor and cannabis regulations for safe usage, I must highlight a troubling issue: the enforcement of WAC 314-11-050 seems to disproportionately and unfairly target the LGBTQ+ community. This situation not only raises the alarm about potential discriminatory practices but also the unintended harm that may arise from the current enforcement methods.

In response to these significant issues, I am submitting this communication as a formal request, urging the Washington State Liquor and Cannabis Control Board to consider both the repeal of WAC 314-11-050 and an immediate halt to its enforcement. Temporarily stopping enforcement will provide the Board an opportunity to reassess the rule's impact on the LGBTQ+ community more thoroughly.

I also propose that the board conducts an in-depth analysis of the enforcement data concerning

WAC 314-11-050, with a particular focus on its effects on LGBTQ+ individuals. It is crucial that this examination includes collaboration with LGBTQ+ community groups and advocates to ensure a well-rounded understanding of the issue.

By initiating these steps, the Washington State Liquor and Cannabis Control Board can affirm its dedication to unbiased and just enforcement practices. This action is vital to prevent any further inadvertent discrimination or harm to the LGBTQ+ community as a consequence of the present application of WAC 314-11-050.

Subject: Urgent Petition for Repeal and Immediate Cessation of Enforcement of WAC 314-11-050 due to Disproportionate Impact on the LGBT+ Community

External Email

Dear Members of the Washington State Liquor and Cannabis Control Board,

I trust this letter finds you well. My name is Jett, and I am writing to express deep concern regarding the disproportionate impact of the enforcement of WAC 314-11-050 on the LGBT+ community in our state.

While I recognize the importance of maintaining regulations to ensure responsible liquor and cannabis use, it has come to my attention that the enforcement of WAC 314-11-050 has resulted in an unjust and disproportionate impact on members of the LGBT+ community. This raises serious concerns about the potential for discrimination and harm caused by the current enforcement practices.

In light of these concerns, I am submitting this letter as a formal petition urging the Washington State Liquor and Cannabis Control Board to consider the Repeal of WAC 314-11-050 & an immediate cessation of the enforcement of WAC 314-11-050. I believe that pausing enforcement activities will allow the board the necessary time to conduct a thorough review of the regulation's impact on the LGBT+ community.

I further request that the board engage in a comprehensive examination of the enforcement data related to WAC 314-11-050, specifically focusing on its impact on the LGBT+ community. Additionally, I encourage the board to collaborate with community organizations and advocates representing LGBT+ interests to gain valuable insights and perspectives on the matter.

By taking this immediate action, the Washington State Liquor and Cannabis Control Board can demonstrate its commitment to fair and equitable enforcement practices, preventing any further harm or discrimination faced by the LGBT+ community due to the current implementation of WAC 314-11-050.

Thank you for your prompt attention to this matter. I trust that the board will consider this petition seriously and take swift action to address the urgent concerns raised.

Sincerely,
Jett Guymer
