

DOUGLAS COUNTY TRAINING OPPORTUNITY

WEDNESDAY, APRIL 18, 2018

Greetings Region 4 Marijuana Retailers!

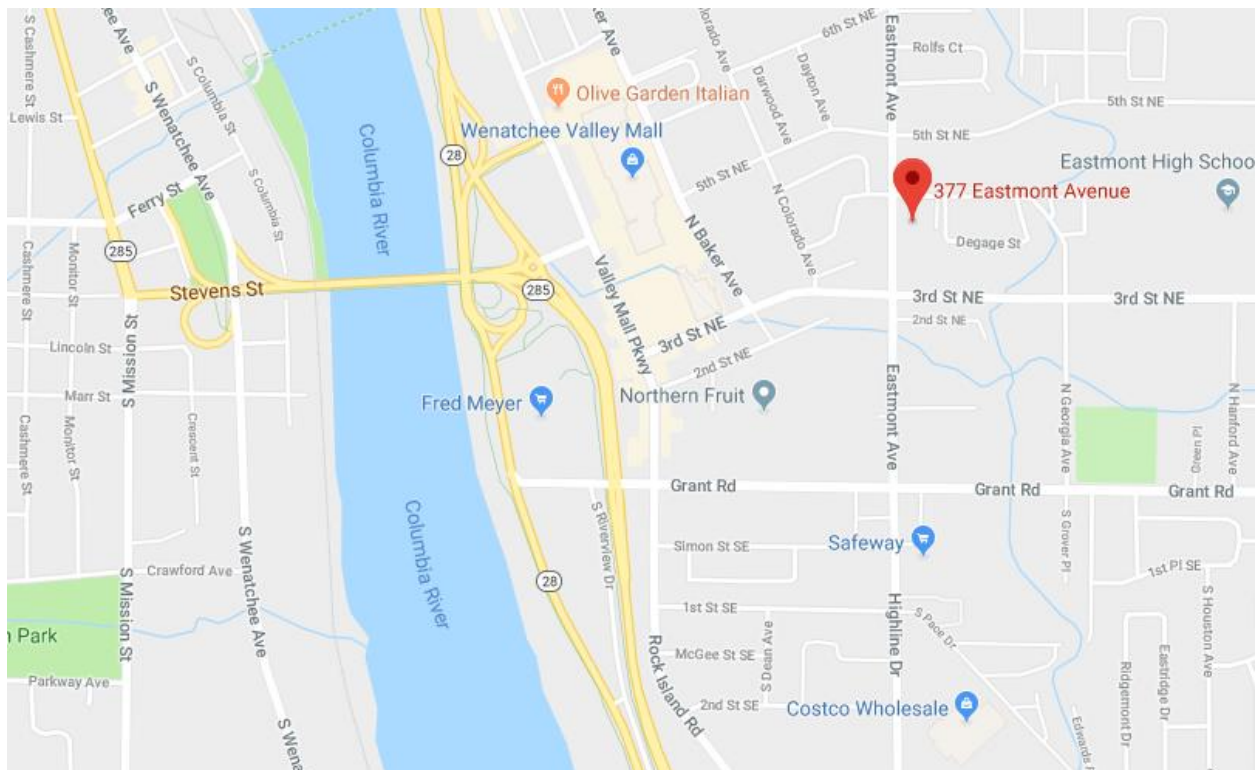

Based upon your **survey feedback** we are hosting a training day in **Douglas County** on both the new **Marijuana Advertising** rule changes and **Responsible Cannabis Sales (RCS)**.

Please review the below training descriptions to determine who should attend which training class. Each training is about 1-hour in length.

The Responsible Cannabis Sales (RCS) is designed to help front line retail marijuana store security and sales clerks (budtenders) learn how to read state identification in order to prevent persons under 21 years of age from purchasing cannabis products or frequenting retail marijuana shops. It also covers ways to prevent other public safety violations.

The **Marijuana Advertising** training is designed to help retail marijuana store licensees and/or managers understand and comply with recently adopted state laws and rules around outdoor advertising of cannabis.

WHERE: Douglas County Fire Department – 377 Eastmont Ave., East Wenatchee, WA 98802
509-884-6671

*Free parking at location
