AMENDATORY SECTION (Amending WSR 08-17-056, filed 8/15/08, effective 9/15/08)

WAC 314-29-003 Purpose. The purpose of chapter 314-29 WAC is to outline what a liquor licensee or a mandatory alcohol server training permit holder can expect if a licensee or permit holder receives an administrative violation notice alleging a violation of a liquor (~~control~~) and cannabis board statute or regulation.

AMENDATORY SECTION (Amending WSR 16-19-106, filed 9/21/16, effective 10/22/16)

WAC 314-29-010 What options does a licensee or permit holder have once he/she receives a notice of an administrative violation?

(1) A licensee or a mandatory alcohol server training permit holder has twenty days from receipt of the notice to:

- (a) Accept the recommended penalty; or
- (b) Request a settlement conference in writing; or
- (c) Request an administrative hearing in writing.

A response must be submitted on a form provided by the agency.

(2) What happens if a licensee or mandatory alcohol server training permit holder does not respond to the administrative violation notice within twenty days?

(a) If a licensee or permit holder does not respond to the administrative violation notice within twenty days, the recommended suspension penalty will go into effect. After twenty days and up to thirty days from the date of the administrative violation notice, and if the violation includes a monetary penalty, the licensee may pay a twenty-five percent fee in addition to the recommended penalty in lieu of suspension.

(b) If the penalty does not include a suspension, the licensee must pay a twenty-five percent late fee in addition to the recommended penalty. The recommended penalty plus the late fee must be received within thirty days of the violation notice issue date.

(c) When a licensee fails to submit payment of monetary fine proceedings, provisions to collect shall take effect immediately or other actions such as revocation, will be instituted as deemed appropriate by the WSLCB.

(d) An attempt to advise the debtor of the existence of the debt, and twenty-five percent late fee per (b) of this subsection, will be made notifying that the debt may be assigned to a collection agency for collection if the debt is not paid, and at least thirty days have elapsed from the time notice was attempted.

(e) Licensees failing to respond to an administrative violation notice or having outstanding fines shall not be eligible to renew their liquor license.

(f) Failure to address monetary penalties for two or more administrative violations notices in a two-year period will result in license cancellation.

(3) What are the procedures when a licensee or mandatory alcohol server training permit holder requests a settlement conference?

(a) If the licensee or permit holder requests a settlement conference, the hearing examiner or captain will contact the licensee or permit holder to discuss the violation.

(b) Both the licensee or permit holder and the hearing examiner or captain will discuss the circumstances surrounding the charge, the recommended penalty, and any aggravating or mitigating factors.

(c) If a compromise is reached, the hearing examiner or captain will prepare a compromise settlement agreement. The hearing examiner or captain will forward the compromise settlement agreement, authorized by both parties, to the board for approval.

(i) If the board approves the compromise, a copy of the signed settlement agreement will be sent to the licensee or permit holder, and will become part of the licensing history.

(ii) If the board does not approve the compromise, the licensee or permit holder will be notified of the decision. The licensee or permit holder will be given the option to renegotiate with the hearing examiner or captain, of accepting the originally recommended penalty, or of requesting an administrative hearing on the charges.

(d) If the licensee or permit holder and the hearing examiner or captain cannot reach agreement on a settlement proposal, the licensee may accept the originally recommended penalty, or the hearing examiner or captain will forward a request for an administrative hearing to the board's hearings coordinator.

AMENDATORY SECTION (Amending WSR 09-21-050, filed 10/14/09, effective 11/14/09)

WAC 314-29-015 What are the penalties if a liquor license holder violates a liquor law or rule? (1) The purpose of WAC 314-29-015 through 314-29-040 is to outline what penalty a liquor licensee can expect if a licensee or employee violates a liquor (~~control~~) and cannabis board law or rule (the penalty guidelines for mandatory alcohol server training permit holders are in WAC 314-17-100 through 314-17-110). WAC rules listed in the categories provide reference areas, and may not be all inclusive. For purposes of this section, ancillary activities are defined as activities an alcohol manufacturer participates in and include all activities, licenses, and privileges involving the public, such as serving samples, operating a tasting room, conducting retail sales, serving alcohol under a restaurant license, or serving alcohol with a special occasion license.

(2) Penalties for violations by liquor licensees or employees are broken down into (~~four~~) five categories:

(a) Group One—Public safety violations, WAC 314-29-020.

(b) Group Two—Regulatory violations, WAC 314-29-025.

(c) Group Three—License violations, WAC 314-29-030.

(d) Group Four—Nonretail violations involving the manufacture, supply, and/or distribution of liquor by nonretail licensees and prohibited practices between nonretail licensees and retail licensees, WAC 314-29-035.

(e) Group Five—Public safety violations for sports entertainment facility licenses, WAC 314-29-038.

(3) For the purposes of chapter 314-29 WAC, a two year window for violations is measured from the date one violation occurred to the date a subsequent violation occurred.

(4) The following schedules are meant to serve as guidelines. Based on mitigating or aggravating circumstances, the liquor (~~control~~) and cannabis board may impose a different penalty than the standard penalties outlined in these schedules. Based on mitigating circumstances, the board may offer a monetary option in lieu of suspension during a settlement conference as outlined in WAC 314-29-010(3).

(a) Mitigating circumstances	(b) Aggravating circumstances
<p>Mitigating circumstances that may result in fewer days of suspension and/or a lower monetary option may include demonstrated business policies and/or practices that reduce the risk of future violations.</p> <p>Examples include:</p> <ul style="list-style-type: none"> • Having a signed acknowledgment of the business' alcohol policy on file for each employee; • Having an employee training plan that includes annual training on liquor laws. 	<p>Aggravating circumstances that may result in increased days of suspension, and/or increased monetary option, and/or cancellation of a liquor license may include business operations or behaviors that create an increased risk for a violation and/or intentional commission of a violation.</p> <p>Examples include:</p> <ul style="list-style-type: none"> • Failing to call 911 for local law enforcement or medical assistance when requested by a customer, a liquor (control) and cannabis board officer, or when people have sustained injuries; • Not checking to ensure employees are of legal age or have appropriate work permits.
<p>(c) In addition to the examples in (a) and (b) of this subsection, the liquor (control) and cannabis board will provide and maintain a list of business practices for reference as examples where business policies and/or practices may influence mitigating and/or aggravating circumstances. The established list will not be all inclusive for determining mitigating and/or aggravating circumstances, and may be modified by the liquor (control) and cannabis board. The list shall be accessible to all stakeholders and the general public via the internet.</p>	

(5) Ancillary activity violations:

(a) When a violation or violations are part of ancillary activities, all ancillary activities including those at the manufacturing facility or associated locations involving the public will be subject to the schedules of penalties outlined in WAC 314-29-020 through 314-29-038. When violations are part of ancillary activities, the manufacturing license will not be suspended, revoked, or canceled.

(b) When a violation or violations are not part of ancillary activities, the manufacturing license is subject to the schedules of penalties outlined in WAC 314-29-020 through 314-29-038 and will extend to all retail activities, associated facilities, privileges, endorsements, and permits.

AMENDATORY SECTION (Amending WSR 16-19-106, filed 9/21/16, effective 10/22/16)

WAC 314-29-020 Group 1 violations against public safety. (1) Group 1 violations are considered the most serious because they present a direct threat to public safety. Violations beyond the first violation do not have a monetary option upon issuance of a violation notice. The liquor (~~control~~) and cannabis board may offer a monetary option in lieu of suspension days based on mitigating circumstances as outlined in WAC 314-29-015(4).

(2) Group 1 violations will be counted sequentially rather than independently by group. For example, if a licensee received a violation for over service on one day and a violation for sale to a minor a

week later, the sale to a minor would be treated as a second offense since both violations are in the same violation group.

Violation Type	1st Violation	2nd Violation in a two-year window	3rd Violation in a two-year window	4th Violation in a two-year window
Violations involving minors: Sale or service to minor: Sale or service of alcohol to a person under 21 years of age. Minor frequenting a tavern, lounge, or other restricted area.
