

Notice of Pre-proposal Statement of Inquiry WSR #21-08-035

The Washington State Liquor and Cannabis Board (Board) is considering rule amendments that would allow the Board to take disciplinary action against any licensed marijuana processor or retailer failing to comply with the provisions of WAC 246-80-021, concerning the sale of vitamin E acetate. No other amendments or revisions to WAC 314-55-077 or WAC 314-55-079 are being considered at this time.

As part of the collaborative rule development process, the Board encourages your feedback and comments on the subject of this rule making. Proposed rules are not offered at this point in the process.

Following the informal comment period, the agency will distribute and publish proposed rules, establish a formal comment period consistent with chapter 34.05 RCW, and hold a public hearing before the rules are adopted.
