Agency: Washington State Liquor and Cannabis Board

Subject of possible rule making: WAC 314-55-077 – Marijuana processor license- Privileges, requirements and fees; WAC 314-55-079 – Marijuana retailer license – Privileges, requirements and fees. The Washington State Liquor and Cannabis Board (Board) is considering rule amendments that would allow the Board to take disciplinary action against any licensed marijuana processor or retailer failing to comply with the provisions of WAC 246-80-021, concerning the sale of vitamin E acetate. No other amendments or revisions to these sections are being considered at this time.

Statutes authorizing the agency to adopt rules on this subject: RCW 69.50.342; RCW 69.50.345; HB 2826 (Chapter 133, Laws of 2020), now codified in RCW 69.50.101, RCW 69.50.327, RCW 69.50.342.

Reasons why rules on this subject may be needed and what they might accomplish: Based on its authority under RCW 69.50.342(1)(m), the Board prohibited use of vitamin E acetate by any person licensed under chapter 69.50 RCW by emergency rule WAC 314-55-1065 on September 16, 2020 as WSR 20-19-080, and by extension on January 6, 2021 as WSR 21-02-092. These amendments allow the Board to take disciplinary action against any licensed marijuana processor or retailer failing to comply with the provisions of WAC 314-55-1065.

The Washington State Board of Health (SBOH) also prohibited the use of vitamin E acetate by any person licensed under chapter 69.50 RCW by permanent rule on November 14, 2020 as WSR 20-23-006. Since the SBOH prohibition of vitamin E acetate is permanent, WAC 314-55-077 and WAC 314-55-079 should be updated to reference this permanent prohibition of vitamin acetate as described in WAC 246-80-021. Once references are updated, Board emergency rule WAC 314-55-1065 should be rescinded.

Identify other federal and state agencies that regulate this subject and the process coordinating the rule with these agencies: Washington State Board of Health; Washington State Department of Health.
