

Notice of Pre-proposal Statement of Inquiry WSR #21-11-036

The Washington State Liquor and Cannabis Board has filed a pre-proposal statement of inquiry (CR 101) to consider establishing a new rule section that would allow the WSLCB to evaluate unregulated additives, solvents, ingredients or compounds used in the production and processing of marijuana products to determine whether such substances pose a risk to public health or youth access.

The Liquor and Cannabis Board encourages your input on the subject of this amendment to the section of rule. Following the comment period, the agency will distribute and publish proposed rules, establish a comment period consistent with chapter 34.05 RCW on the proposed rules, and hold a public hearing before the rules are adopted.

This notice can be found at <https://lcb.wa.gov/laws/current-rulemaking-activity>.
