(2) **Definitions.** For purposes of this chapter, the following definitions apply unless the context clearly states otherwise:

(a) "Additive" means any substance the use of which results or may reasonably be expected to result, directly or indirectly, in its becoming a component or otherwise affecting the characteristics of any marijuana product;

(b) "Compound" means a chemical substance composed from more than one separate chemical element;

(c) "Ingredient" means something that enters into a mixture or is a component part of any combination or mixture;

(d) "Nonmarijuana additive" means a substance or a group of substances that are derived from a source other than marijuana.

(i) "Nonmarijuana additive" includes, but is not limited to, purified compounds, essential oils, oleoresins, essences, or extractives, protein hydrolysates, distillates, or isolates;

(ii) "Nonmarijuana additive" does not include plant material that is in the whole, broken, or ground form.

(e) "Solvent" means a substance capable of being used in dissolving a solute with the exception of water.

(3) **Procedure.**

(a) The board may prohibit the use of any additive, solvent, ingredient or compound in the production of marijuana products that may pose a risk to public health or youth access including, but not limited to:

(i) Verifiable case report data;

(ii) Other local, state and federal agency findings, reports, etc.;

(iii) A product or substance that is the subject of a recall under WAC 314-55-225;

(iv) Any other information sourced and confirmed from reliable entities.

(b) The board may prohibit the use of a product or substance by adoption of emergency or permanent rules. The board will provide notices of rule making consistent with the requirements of chapter 34.05 RCW.

(c) The board will maintain a list of prohibited substances prohibited by emergency or permanent rules on its website.

(d) The list of prohibited substances will be reviewed on at least an annual basis.

(e) Prohibited substances may be removed from the list of prohibited substances if the board determines, after a review consistent with (a)(i) through (iv) of this subsection, that it no longer poses a risk to public health or youth access.
