All public Board activity will be held in a “hybrid” environment. This means that the public will have options for in-person or virtual attendance. The Boardroom at the headquarters building in Olympia (1025 Union Avenue, Olympia, WA 98504) will be open for in-person attendance. The public may also login using a computer or device, or call-in using a phone, to listen to the meeting through the Microsoft Teams application. The public may provide verbal comments during the specified public comment and rules hearing segments. TVW also regularly airs these meetings. Please note that although the Boardroom will be staffed during a meeting, Board Members and agency participants may continue to appear virtually.
