SB 5940 created a new packaging services endorsement allowing breweries, wineries, and distilleries to contract with each other, and with other non-liquor licensed businesses if the contract does not include alcohol products. The endorsement covers certain packaging services, such as canning, bottling, bagging, mixing, and repacking. The adopted rules implement SB 5940, inform licensees about the availability of the endorsement and its requirements, and align existing agency rules with the law.
