

NOTICE OF PROPOSED RULES - WSR 23-24-100

The Washington State Liquor and Cannabis Board (LCB) invites your input on proposed rules (CR 102) to implement Substitute Senate Bill 5448 ([chapter 279, Laws of 2023](#)) which extended some delivery and takeout privileges that were scheduled to expire for alcohol establishments, made some temporary privileges permanent, rescinded some privileges and codified some requirements that had previously been in rule only.

These proposed rules also amend the regulations on Class 13 permit holders, allowing them to open and pour beer and wine away from the customer’s table without opening or pouring in an area that the Board has classified as off limits to persons under 21 years of age.

This notice and other relevant rulemaking materials can be found at <https://lcb.wa.gov/laws/alcohol-rulemaking-activity>

The LCB encourages your participation in the rulemaking process by providing feedback and comments on the proposed rules. The LCB will hold a public hearing before the rules are adopted.

All public Board activity will be held in a “hybrid” environment. This means that the public will have options for in-person or virtual attendance. The Boardroom at the headquarters building in Olympia (1025 Union Avenue, Olympia, WA 98504) will be open for in-person attendance. The public may also login using a computer or device, or call-in using a phone, to listen to the meeting through the Microsoft Teams application. The public may provide verbal comments during the specified public comment and rules hearing segments. TVW also regularly airs these meetings. Please note that although the Boardroom will be staffed during a meeting, Board Members and agency participants may continue to appear virtually.
