

CR103 Memorandum

Regarding private club membership drives.

Date: August 30, 2023
Presented by: Daniel Jacobs, Rules Coordinator

Background

On July 28, 2022, Keith Laurent, on behalf of the Vancouver Elks #823, submitted a petition for adoption, amendment, or repeal of a state administrative rule to the Washington State Liquor and Cannabis Board (Board). The petition requested that the Board amend WAC 314-40-040(6) to allow private clubs to add one additional membership drive per calendar quarter (for a total of eight per calendar year) and host a membership drive on two consecutive days during one quarter per calendar year.

On September 14, 2022, the Board accepted the petition. Consistent with RCW 34.05.330(1)(b), the Board agreed to initiate the rulemaking process and begin collaboratively engaging with stakeholders and any interested members of the public to explore the possibility of allowing private clubs to add additional membership drives, host consecutive membership drives, or both.

Rule Necessity

The adopted rule amendments to WAC 314-40-040 are necessary to allow private clubs licensed under RCW 66.24.450 or 66.24.452 to add additional membership drives, host consecutive membership drives, or both.

Description of Rule Changes

Amended section. 314-40-040(6) related to recruiting and building club memberships. The adopted rule revisions increase public membership drive functions from one to two calendar days per calendar quarter; provide that membership drives may be held on two consecutive days per calendar year; and provide that there must be at least seven days between membership events.

Variance between proposed rule (CR102) and final rule:

There is no variance between the proposed and final rules.

Rule Implementation (RCW 34.05.328(3)(a))

Informing and Educating Persons Impacted by the Rule (RCW 34.05.328(3)(b))

To help inform and educate persons impacted by the rule, the LCB will:

- Email notice with the adoption materials to persons who commented on the rules, the rule making and licensee distribution lists, and the general LCB GovDelivery list;
- Post rule adoption materials, including final rule language, response to comments, final analysis (Concise Explanatory Statement), and any other relevant documents on the rulemaking webpage for public access.

Promoting and Assisting Voluntary Compliance (RCW 34.05.328(3)(c))

LCB will promote and assist voluntary compliance through technical assistance.

- LCB staff are available to respond to phone and email inquiries about the rules.
- Agency leadership and staff have actively participated in rule development and revisions and are familiar with the final product. Internal and external education efforts to share knowledge and assure consistent application of rule will be supported.
- Rule and guidance documents will be available on the LCB website.
- LCB will use available and customary resources to disseminate materials and information to all persons impacted by the rules.

These actions are designed to inform and educate all persons impacted by the rules to support and promote voluntary compliance.

Training and Informing LCB Staff

Several LCB staff responsible for implementing these adopted rules work directly with impacted parties and are already familiar with the nuances of the rule changes. Additional internal guidance documents may be prepared as necessary. The LCB will also consider:

- Provision of internal and external training and education, as needed. potentially including webinars, training, and videos if appropriate;
- Coordinating and centrally locating decisions to assure consistency between agency, staff, and industry.

Rule Effectiveness Evaluation (RCW 34.05.328(3)(d))

After the rule becomes effective, the LCB will evaluate the effectiveness of this rule in the following ways, including but not limited to:

- Monitoring questions received after the effective date of this rule, and adjusting training and guidance accordingly;
- Monitoring the number of enforcement actions, including type, resolution, and the outcome;
- Monitoring the number of requests for rule language revisions or changes;
- Monitoring the number of requests for rule interpretation;
- Monitoring licensee feedback including, but not limited to, the number of requests for assistance.
