

NOTICE OF PROPOSED RULES WSR 24-10-043

The Washington State Liquor and Cannabis Board (LCB) invites your input on proposed rules (CR 102) to amend [WAC 314-55-080](#) on medical cannabis endorsements for cannabis retailers. The rules now require a window of time for cannabis consultant availability to be posted outside the premises and provide up to 30 days for cannabis retailers to address compliance issues before facing potential discontinuance of the endorsement.

This notice and other relevant rulemaking materials can be found at <https://lcb.wa.gov/laws/current-rulemaking-activity>

The LCB encourages your participation in the rulemaking process by providing feedback and comments on the proposed rules. The LCB will hold a public hearing before the rules are adopted.

All public Board activity will be held in a “hybrid” environment. This means that the public will have options for in-person or virtual attendance. The Boardroom at the headquarters building in Olympia (1025 Union Avenue, Olympia, WA 98504) will be open for in-person attendance. The public may also login using a computer or device, or call-in using a phone, to listen to the meeting through the Microsoft Teams application. The public may provide verbal comments during the specified public comment and rules hearing segments. TVW also regularly airs these meetings. Please note that although the Boardroom will be staffed during a meeting, Board Members and agency participants may continue to appear virtually.
