- (c) Request an administrative hearing in writing.

(2) If a licensee does not respond to an administrative violation notice within twenty calendar days of receipt of the notice, recommended penalties, including but not limited to suspension, monetary penalties, and destruction of inventory may take effect on the twenty-first day.

- (a) If the recommended penalty is monetary and does not include a suspension, inventory destruction, or both, the licensee must pay a twenty-five percent late fee in addition to the recommended monetary penalty.

- (i) The board must receive payment of the monetary penalty and twenty-five percent late fee no later than thirty days after

- (c) Licensees who do not respond to an administrative violation notice or have outstanding fines will not be eligible to renew their marijuana license.
- (3) A licensee may request a settlement conference to discuss the board's issuance of an administrative violation notice issued under this chapter. The hearing officer or designee of the board will arrange the date, time, and place of the settlement conference. A settlement agreement provides that the licensee accepts the allegations contained in the administrative violation notice.
 - (a) The purpose of the settlement conference is to:
 - (i) Discuss the circumstances associated with the alleged violation(s), including aggravating or mitigating factors;
 - (ii) Discuss the recommended penalties; and

 - (ii) The licensee has no other violation history in that penalty category within a two year window; and
 - (iii) The licensee submits a plan to correct, remedy, or satisfy identified violations as described in the administrative violation notice, including but not limited to monetary penalties.
- (c) If the licensee is not issued any administrative violation notices or any other notice of non-compliance during the year following approval of the deferral of administrative violation, the record of administrative violation notice will not be considered for licensing renewal or penalty escalation.
- (d) If the licensee is issued an administrative violation notice or any other notice of non-compliance at any time during the year following approval of the

DEVELOPMENT ONLY

deferral of administrative violation, the record of the administrative violation notice will remain on the licensee's licensing history, and the original sanction for the deferred violation will be implemented based on the frame established in the settlement agreement, or ten days from the date of default.

(4) The hearing officer or designee will prepare a settlement agreement. The agreement must:

(a) Include the terms of the agreement regarding an alleged violation or violations by the licensee of chapters 69.50 and 69.51A RCW, any part of chapter 314-55 WAC, and any related penalty or licensing restriction; and

(b) Be in writing, and signed by the licensee or the licensee's designee and the hearing officer or designee.

(5) If a settlement agreement is entered between a licensee and a hearing officer or designee of the board at or after a settlement conference, the terms of the settlement agreement must be given substantial weight by the board.

(6) The hearing officer or designee will forward the settlement agreement to the board or designee for final approval. If the board, or designee approves the settlement agreement, a copy of the signed agreement will be sent to the

licensee, and will become part of the licensing history, unless otherwise specified in this chapter.

(7) If the board, or designee, does not approve the settlement agreement, the licensee will be notified of the decision in writing. The licensee may:

- (a) Renegotiate the settlement agreement with the hearing officer or designee; or
- (b) Accept the originally recommended penalty; or
- (c) Request a hearing on the administrative issues identified in the administrative violation notice.

(8) Monetary penalty collection. If monetary penalties are assessed as part of an administrative violation, settlement agreement, or both, licensees must submit payment to the board in a timeframe established by the board, consistent with WAC 314-55-5055(2) (a) and (b).

- (a) If a licensee does not timely submit payment of any monetary fine, the board will begin collection or other appropriate action.
- (b) The board will provide a notice of collection action to the licensee. The notice of collection action establishes the licensee as a debtor for purposes of debt collection.
- (c) If the licensee does not respond to the notice of collection within thirty days, the board may:

**THESE ARE DRAFT, CONCEPTUAL RULES, DESIGNED FOR DISCUSSION AND
DEVELOPMENT ONLY
VERSION 6.0 082919**

- (i) Assess a twenty-five percent late fee consistent with subsection (2) (a) of this section; and
- (ii) Assign the debt to a collection agency.

WAC 314-55-506 Summary license suspension. (1) The board may summarily suspend any license after the board's enforcement division has:

- (a) Completed a preliminary staff investigation of the violation; and
- (b) Upon a determination that immediate cessation of the licensed activities is necessary for the protection or preservation of the public health, safety, or welfare.

(2) Suspension of any license under this section is effective immediately upon personal service of the summary suspension order on the licensee or employee thereof. (3) When a license has been summarily suspended by the board, an adjudicative proceeding for revocation or other action must be promptly instituted before an administrative law judge assigned by the office of administrative hearings. If a request for an administrative hearing is timely filed by the licensee or permit holder, then a hearing will be held within ninety calendar days

of the effective date of the summary suspension ordered by the board. The ninety day period may be extended for good cause.

WAC 314-55-507 Petition for stay. (1) When the board summarily suspends a license under WAC 314-55-506, an affected licensee may petition the board for a stay of suspension. . A petition for a stay of suspension must be received by the board within ten calendar days of service of the summary suspension order on the licensee. The petition for stay must clearly describe the basis for the stay.

(2) A hearing will be held before an administrative law judge within fourteen calendar days of receipt of a timely petition for stay. The hearing is limited to consideration of whether a stay should be granted, or whether the terms of the suspension will be modified to allow the conduct of limited activities under current licenses.

(3) A hearing conducted under subsection (2) of this section will be a brief adjudicative proceeding under RCW

34.05.485. The agency record for the hearing must consist of the documentary information upon which the summary suspension was based. The licensee is permitted to supplement the record with additional documentation during the brief adjudicative proceeding. The licensee must demonstrate by clear and convincing evidence that:

(a) The licensee is likely to prevail upon the merits at hearing;

(b) Without relief, the licensee will suffer irreparable injury. For purposes of this section, income alone from licensed activities is not deemed irreparable injury;

(c) The grant of relief will not substantially harm other parties to the proceedings; and

(d) The threat to the public health, safety, or welfare is not sufficiently serious to justify continuation of the suspension, or that modification of the terms of the suspension will adequately protect the public interest.

(4) The initial order on stay is effective immediately upon service unless another date is specified in the order.

NEW SECTION

WAC 314-55-509 Penalty structure.

(1) The board determines if a penalty will be imposed. Penalties are based on the severity of the violation in the following categories:

- (a) Category I: Violations of a severity that would make a license eligible for cancellation on a first offense;
- (b) Category II: Violations that create a direct or immediate threat to public health, safety, or both;
- (c) Category III: Violations that create a potential threat to public health, safety, or both;
- (d) Category IV: Significant regulatory violations;
- (e) Category V: Procedural and operational violations;
- (f) Category V: Statutory violations.

(2) For purposes of assessing penalties, only violations occurring in the two year time period immediately preceding the date of the violation will be considered unless otherwise provided in this chapter.

(3) The board may, at its discretion, deviate from the prescribed penalties herein. Such deviations will be determined on a case-by-case basis, considering mitigating and aggravating factors.

**THESE ARE DRAFT, CONCEPTUAL RULES, DESIGNED FOR DISCUSSION AND
DEVELOPMENT ONLY
VERSION 6.0 082919**

- (a) Mitigating factors may result in a waiving or lowering of fines, civil penalties, imposition of a fine in lieu of suspension, or fewer days of suspension. Mitigating factors may include demonstrated business policies and practices that may reduce risk to public health and safety.
- (b) Aggravating factors may result in increased days of suspension, increased monetary penalties, cancellation, or non-renewal of a marijuana license. Aggravating factors may include obstructing an investigation, business operations, behaviors, or both, that increase risk to public health and safety.
- (4) For violations that occurred before the effective date of these rules, enforcement action will be based on the rules that were in effect on the date the violation occurred. Subsection 2 of this section shall apply to all enforcement actions regardless of the date the violation occurred.

WAC 314-55-520 Category I. Violations of a severity that would make a license eligible for cancellation on a first offense. The board may not cancel a license for a single violation, unless it can prove a Category I violation by a preponderance of the evidence.
